Every season has its own particular joys. When the leaves begin to fall, school opens and football games begin. During the winter months, we are all hard at work, with basketball games and school dances intermingled with our working hours. Then comes spring, and everyone's fancy turns to thoughts of—proms, graduation, and summer vacation. The long summer days give us time for rest, for memories, and for dreams of the future. In this issue we present a pictorial review of our year's work and play.

Dedicated to

Top Row

Howard Schilling, Betsy Davis, Dorothy Pringle, Carl King

Bottom Row

Merwin Wood, Jennings Beam, Ray Caylor, Frank Straitiff

This year we are dedicating our "Mirror" not to one person but to a group of persons—members of our faculty who are in the Armed forces.

They are truly one of the finest groups that P. H. S. has ever known. For their valor, courage, and patriotism we salute! In the Navy, Lt. (j. g.) Howard Schilling, Ensign Carl King, Radio Technician, 2nd class, Jennings Beam. In the Army, Lt. Frank Straitiff, Corporal Mervin Wood, Corporal Ray Caylor. Last, but surely not least: in the Waves, Ensign Dorothy Pringle and Ensign Betsy Davis.

BOARD OF EDUCATION

Top Row

John M. Harvey, *President;* James M. Coble, *Vice President;* D. Raymond Thomas, *Secretary;* George P. Grube, *Treasurer*

Bottom Row

H. Thomas Jack, Ned L. Brown, Matthew R. Tibby

The class of '43 wishes to express its deepest gratitude to these seven men to whom P. H. S. owes so much. They have given unsparingly of their time and energy to make our school one of the finest to be found. So for their efforts we say: Thank You!

JAMES T. DOWNIE

Superintendent

For his co-operation and understanding in all our school activities we are very grateful to Mr. Downie, our superintendent.

A Message From Our Principal

In these days of world strife and turmoil, it is with a great satisfaction and pleasure that I am able to say that teachers and students have given me their greatest measure of cooperation during the school year of 1942-43. To them I give my heartiest thanks for their splendid assistance. May all years be as successful as this and all good fortune be yours.

SENIORS

Senior Class Officers

Eugene Fry, Edgar McHenry, Joy Knarr, Paul Caylor

The officers of the class of '43 were wisely chosen, but due to circumstances beyond anyone's control Gene Fry, the President, is no longer with us. Isn't it lucky the class elected such a good Vice President? Paul stepped in and did a grand job. He is also expecting to leave soon, and Ed. McHenry, Class Treasurer, is expecting to be called for duty in the Navy Air Corps. If Joy Knarr, Class Secretary, weren't a girl she would probably be going into the Armed forces. Maybe she will—who knows! Best of luck to all of you!

The success of the 1942 football season was only slightly marred by a defeat at the hands of DuBois in the final game. After submitting to an 18 to 7 beating by D.H.S. in a pre-season game, the Chucks downed all opponents in the regularly scheduled season right up till November eleventh. Clearfield, Kittanning, Ferndale, Indiana, Curwensville, Clarion, and Sykesville were bowled over in succession; some away, some at Harmon Field. The scores ranged from 35 to 6 in the Curwensville game to 6 to 0 in the Indiana game. When the Armistice Day game was played, our team fought well against a fine DuBois eleven. Although we went down, 7 to 0, we were somewhat cheered when we remembered that it was only one game (albeit the most important one), and that our boys had made an admirable showing. Some even went so far as to say that we would have beaten them with a dry field and a few breaks.

The 1942 schedule:

Punxs'y— 7	DuBois—	18
Punxs'y—13	Cleorfield—	7
Punxs'y—26	Kittonning—	6
Punxs'y—20	Ferndole—	6
Punxs'y— 6	Indiono—	0
Punxs'y—35	Curwensville—	6
Punxs'y—33	Clorion—	6
Punxs'y—33	Sykesville—	0
Punxs'y— 0	DuBois—	7

The Cheerleaders have led our teams to victory many times during the past school year. Because of their fine work in several chapel programs many dry throats were loosened up for the following game. During every game the Cheerleaders were present, rain or shine, ready to do their job.

They receive emblems on class day in honor of their fine work.

They must be cheerful and skillful in calling our cheers.

The Cheerleaders are composed of six pretty girls and two stalwart boys.

This year the Cheerleaders were given full co-operation by the students. This made our cheering section just as large as the opponent's no matter how great the odds.

The members are:

Lillian Benson, Shirley Jordan, Bonnie Murphy, Neva Diehl, Peggy Morris, Jack Barilar, Bill Dinger, June Depp.

Because of the war, the 1943 P.H.S. basketball schedule was sharply curtailed. However, six games were played, two with Brookville, two with Clarion, and two with DuBois. Although they dropped four out of the six, the Punxs'y cagers played well and were in there trying all the time. In the first game Brookville had a close squeak, but won, 31 to 29. The second game was the brightest spot in the Chucks' campaign. Our men out-distanced a favored DuBois quintet, 39 to 29. Clarion and Punxs'y broke even in two consecutive contests; after yielding the first one, 27 to 38, the Red and White captured the second, 30 to 21, in an afternoon tussle. Both of the last two games were recorded as losses; DuBois won a not-very-sweet revenge by a single goal, 27 to 25; Brookville won the final, 32 to 27, after a thirteen-point spree in the third period. The total points scored by our team was 177; the total of those scored against us was 178. The senior basketball letterımen are Joe Guzzy, Eugene Fry, Dixon Wilmoth, Tony Villella, Ray VanHorn and Claude Oermann.

Once again, the Varsity Club, with Mr. West at the helm, has proved to be an admirable organization. It continues to be the only club which entirely supports itself financially. Its income is the due reward for many services rendered to the school. Each member of the Varsity Club has earned a letter in defending the athletic honor of P.H.S. They are, in a way, the "heroes" of the school. Their fraternity is, therefore, deserving of the support which it receives from the students of Punxsutawney High School. This year, the club has, or rather had, twenty-seven members. A number of these have left during the year to go into the armed forces or to work in war industries. Eighteen of the lettermen are seniors. The officers are as follows: Frank Falcone, President; Louis Stello, Vice President; Joe Guzzy, Secretary; Dixon Wilmoth, Treasurer. Our lettermen have reason to be proud of their fraternity, for the Varsity Club is a real asset to our school.

One of the best known organizations of Punxsutawney High School, the band, is composed of seventy members.

As in previous years, the band has increased interest in football games by its drills and music. For our home basketball games, a small band was provided, as before.

Perhaps, however, the most outstanding, and certainly the most patriotic service of the band has been their playing for the departing selectees. This is a new responsibility, but one that each member of the organization is proud to share.

As has been the custom, the P.H.S. Band presented its annual concert in the spring of this year.

Nor can the band itself claim credit for all its activities. Its majorettes, its drum major, but chiefly its director, Mr. Kester, deserves much of the credit for the performance of this year's band.

For the fourth consecutive year the majorettes have headed the P.H.S. band as it marched down the field, and in parades. These girls have given long hours of their time to perfect their twirling and marching. This year they should be especially congratulated for their fine co-operation in turning out on those chilly mornings to see the selectees off.

Betty Lou Scava did a grand job as Drum Major and the other four girls Jean Tewart, Betty Brown, Nellie Farrimond, and Doris Lettie, came right up to par.

Betty Lou will be replaced next year by a new majorette, for she is a member of our '43 graduating class. But we're sure the other four girls will do just as fine a job next year as they did this year, if not better.

The P. H. S. Cercle Francais, or French Club, is entertained on the fourth Monday of each month in the home of one of the members. At these meetings the members held several discussions about the situation in France, played French card games, and played a novelty French football game.

This year the club was open to anyone taking French II or anyone who had already taken it. The student members increase their knowledge of the French language and of the French people and of their customs through their interest in this organization.

The club is sponsored this year by Miss Stark, the new French and Spanish teacher.

One of the three largest musical organizations of Punxsutawney High School, the orchestra, consists of twenty-five members.

The activities of the orchestra this year were somewhat similar to those of previous years.

The orchestra appeared in chapel many times, furnished music for the high school play, "The Romantic Age," and played for commencement. Also, on one or two occasions, the orchestra played for civic enterprises.

In addition to receiving valuable training and experience, every member receives one-fourth credit for each year he belongs to the orchestra.

Therefore, if you have ability to play, or wish to learn to play some musical instrument, see Mr. Kester.

It is largely through the efforts of Mr. Kester, the director, that the orchestra has become the organization which it is.

The student director of the orchestra is Glenn Domb.

A Capella Choir

The Punxsutawney High School A Capella Choir composed of seventy members, is one of the largest organizations of the schaol. Under the capable direction of Mr. Kester, the choir has participated in many activities during the school year.

Probably the most outstanding of these was the choir's Christmas program in chapel. For this program, several numbers were offered, some group selections, and solos.

The A Capella Choir elected officers early in the year. They are: Maryellen Hurd, President; Glenn Domb, Secretary; and John Hallman, Librarian. The student director of the organization is Betty Lou Scava.

The members of the choir are selected from all classes, by means of tryouts. Any one wishing to join the choir, tries out at the beginning of the year.

Let us hope that the A Capella Choir continues to be as successful an organization in the future as it has been in the past.

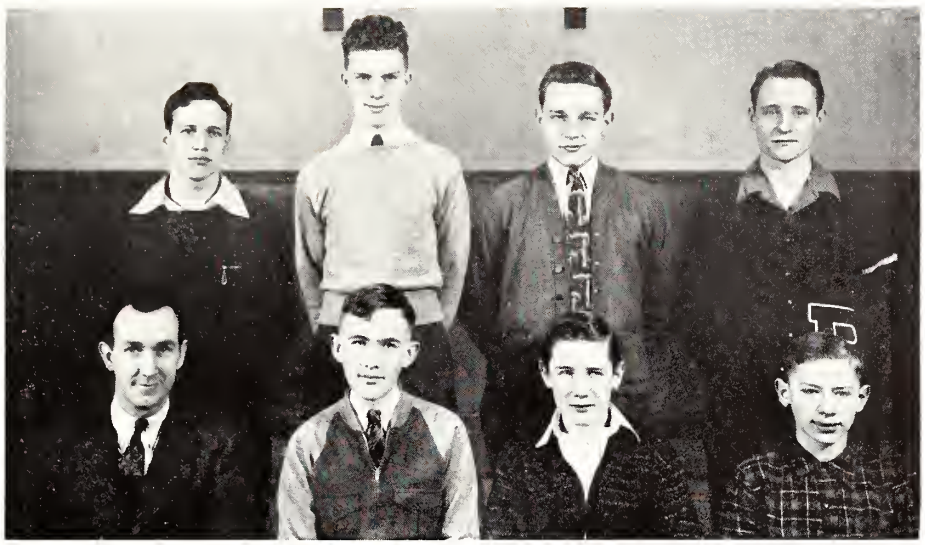
"There's going to be a play Friday" was a bit of news that was whispered around school quite frequently this year. For, because of the difficulty in obtaining professional programs, the Thespian Society willingly came forward with more and better chapel plays.

Although this form of entertainment has, in past years, been excellent, this year's plays seemed to reach the zenith of the club's achievement. The student directors, all members of Thespian Society, attempted, for the first time, to present a drama. The success of this venture is now history to all the fortunate students who saw *His Brother's Keeper*.

In addition to directing chapel plays, the members meet once a month to discuss the various dramatic arts.

The Thespian Society is under the supervision of Miss Margaret C. Boles.



First Row—Mr. Wilson, J. Corrier, W. McGlumphy, W. Eberhort.
Second Row—J. Hollmon, C. Weber, B. Domb, M. Bornett.

Stage Crew

"Move It Over There" might well be the favorite song of the Punxsutawney High School stage crew, since they can be found at almost any time in the "Aud.," industriously moving furniture and scenery.

The Stage Crew has charge of the settings for the High School Play and all the chapel plays, in addition to sitting the stage for all programs given in the auditorium. This includes all programs given by outside organizations.

Mr. Wilson, a new member of P. H. S. faculty, is the supervisor of the organization. The Weber Industrial Arts School and the art classes assist the "boys" in setting the stage.

The Mirror

Second Row—J. Lowe, L. Snyder, B. Stotes.

Editorial Staff

The Editorial Staff of the Mirror edits the four issues of The Mirror, Christmas, Valentine, Easter, and Commencement.

The staff is divided into departments in order to work efficiently. The Editor-in-Chief assigns the work, arranges for material to be used, sees that the material is in and typed, and that the printer has the material in ample time. The Literary Editors correct the stories used. The poetry editor selects the poems. Classnote editors appoint room reporters and take care of the classnotes. The exchange editor conducts a column which is made up of excerpts from other school books. The column, "Groundhog Gab," is written by the columnist.

The general staff activity is under the supervision of Mrs. Beam.

Business Staff

The Business Staff of the Mirror, whose faculty advisor is Mr. Boyd, is chosen early every year to take charge of the distribution of the magazines and to collect and write advertisements for the Mirror. They must be very efficient workers in order to please advertisters.

Punctuality is as important as efficiency. They must observe the deadline and be prepared to hand in the advertisements on the specified date.

The Business Staff also takes care of the distribution of the Mirrors. They must be both efficient and punctual to execute this duty correctly.

The Business Staff is comprised of seventeen students who possess the above qualities and cooperate with their adviser, Mr. Boyd, to the full extent of their ability. The members are:

Jack Roth, Joanne Bamford, Lillias Barilai, Nick Fera, Maxine Kearney, Lois Walker, Lillian Hetager, Shirley Kelso, David Knoble, Glenn Means, Jack Wineberg, Helen Crawford, Doris Beck, Sam Scava, Raymond Tronzo, Ladonna Boucher, Nelson H. Boyd.

The Library Club, which has a membership of twenty four girls this year, was organized in October, 1941. One of the aims of the club is to have a service club for the school.

Their service has certainly been outstanding and they deserve credit for their work. The girls have learned to do most of the tasks in the library. They have taken turns each month in the library, each girl working one period a day for one week. One of the duties of each girl is to learn how to shelf-read.

In the meetings held monthly the members learn more about the library by playing book games and doing reference questions.

Through the aid and supervision of Miss Fenton, their adviser, the girls have learned much about library work.

Philatelic Club

The Philatelic Club of P. H. S., supervised and directed by Miss Thompson, was organized to give the students who are interested in stamps an opportunity to learn more about them. There are two meetings held each month: one at the school and the second at the homes of the members. At these meetings, the members become acquainted with different stamps of various countries. They exchange stamps with their fellow members and learn the most interesting history of each.

The officers of the Philatelic Club for '42 and '43 are as follows: President, Donald Stigers; Vice President, Betty Heitzenrater; Secretary, Vernon Beam; Treasurer, James Downie.

Third Row—D. Rabertsan, J. Ralls, J. Carrier, J. Hunger.

The Camera Club, under the supervision of Mr. Heil, does the photography work for P. H. S. The club meets twice each month, when the members discuss different phases of their skill. Much experimenting is done in this field to help the members become better acquainted with photography.

This Club has special speakers to tell them of photography. Mr. Heil shows films during their meetings. The Club provides all the pictures for the *Hi-Lights*.

The officers for the Camera Club for '42 and '43 are as follows: President, Robert Kaufman; Vice President, Guy Lester; Secretary, Alice Smith; Treasurer, Bonnie Murphy.

Hi-Lights Staff

Our first school newspaper was THE TORCH. It was begun by Miss Margaret C. Boles' English III classes in 1924, but it was discontinued after five years. Later, the Press Club was organized. This organization submitted articles pertaining to school activities to the Punxsutawney SPIRIT and the Punxsutawney NEWS. Between the years of 1936 and 1939, it published issues of the HI-LIGHTS every two weeks.

In 1940, a journalism class was organized. Each student taking this subject must be recommended by his English teacher. This class, which is made up principally of juniors and seniors, automatically becomes the HI-LIGHT'S staff. The paper is published about twelve times a year. It has been exccptionally interesting this year. Mrs. Frank Garnow is the very capable faculty adviser of the staff.

President—Bill Lyon
Vice President—Eugene Fry
Secretary—Margery Moore
Treasurer—Dick Lukehart

The Science Club, under the sponsorship of Mr. Sherk, is one of the most interesting and active clubs in the school and has one of the largest enrollments. At its monthly meetings topics of current scientific interest are discussed, experiments are conducted, and motion pictures are shown. Perhaps one of the most interesting of this year's meetings was the one at which a member of the Pennsylvania State Police took the fingerprints of the members.

The chemistry students are the members who have been in the club the longest. It is to them that the pleasant task of initiating the new members falls. What terrible concoctions their brains can devise! Ask any poor Sophomore who has been through the ritual.

JUNIORS AND SOPHOMORES

The second part of the Science Club, is composed of the Sophomore and Junior students, taking Biology and Physics respectively.

This year the Science Club has sponsored two chapel programs, one in conjunction with the Commercial Club. The first was an old fashioned spelling bee in which, it must be admitted, the Science Club members were badly defeated. Their next attempt was more successful and pleasing to all. This second chapel program was in the form of a quiz program, with the audience answering the questions. Those answering correctly were given defense stamps. This made the program not only popular but profitable as well.

It has not yet been decided whether the Commercial Club and Science Club will join in their annual banquet.

The membership of the club consist of juniors and seniors. The student teachers also belong to the club and are initiated at the beginning of each semester. JUNIORS

After being the guests of the Thespian Society, the club celebrated its traditional Christmas party in the gymnasium this year. A large Christmas tree was placed at one end of the "gym," and the gifts were placed under it. Refreshments were served after the gifts had been opened, and the members enjoyed dancing to the music of the nickelodeon. The members of the Thespian Society were invited to attend the party.

The club decided to discontinue its work for the duration of the war because so many of the members could not attend the meetings regularly. Although the club is not active at present, it will be organized after the war. Plays, talks, and other interesting as well as educational programs were featured at the meetings.

This Club meets once every month at the home of the members or at the school. At their meetings they have done work for the Red Cross and have undertaken other worthwhile activities.

They plan to have a Mother's Day Tea again this year. On this day, the mothers of the members are to be entertained and served.

An Award of Merit Ceremony is to be presented for those members who are very active and contribute much to the Club. To these girls National Pins will be given by the club.

Aviation Club

The Aviation Club of P. H. S. was formed to instruct students who are interested in Aviation.

This club, under the supervision of Mr. Mitchell, holds a meeting once every month. At these meetings they have special speakers to talk with them and discuss any questions they may have in mind. They have demonstrations of airplane motors, model airplanes, and other important phases of aviation.

The Aviation Club keeps an Aviation Club Log. In this book, are kept pictures of the members and important facts about each.

The President of the Aviation Club for '42 and '43 is Robert Farmer; the Vice President, Glenn Domb; Secretary, Barbara Barnoff; Treasurer, Jack Roth.

President—Edgar McHenry Secretary-Treasurer—Lorraine Nageli

The Ushers Club is one of Punxsutawney High School's most important and most helpful clubs. The ushers are always ready to aid the students, as well as the visitors, in finding seats at football and basketball games, plays, and other high school activities.

This club became necessary after the building of the new high school. It was organized by Mr. James T. Downie. We are very grateful to the members of the club for everything they do. Thirteen members comprise this club. Edgar McHenry is the president, and Mr. Boyd is the faculty adviser.

First Raw—D. Whitaker, D. Skinner, E. Hackin.
Secand Raw—S. Jardan, L. Hetager, Miss Stark, B. Means.
Third Row—A. Walk, R. Goyette, L. Baker.

Spanish Club

Something new has been added! For the first time in P. H. S. Spanish is being taught. A new subject—a new club.

It is the aim of the Spanish Club to interest more students in adding Spanish to their schedules and to develop interest on the whole in our Southern neighbors.

The members of the Spanish Club worked hard to prepare for Pan-American Day. They are to be congratulated on their displays and posters.

The officers of the club are: President, Donna Skinner; Vice President, Agnes Wilson; Secretary, Eleanor Hockin; Treasurer, Dorothy Whitaker. Miss Stark is the faculty adviser. The officers and Miss Stark have done a fine job in organizing the club, and with such a good start it will probably develop into one of the most active clubs of P. H. S.

Treasurer—Nancy White

The Senior Tri-Hi-Y has been one of the most active clubs of the school. By selling various things to eat at the football games, the girls earned enough money to buy the tan sweaters for all the members.

All of the girls participated in the state-wide Bible Study contest. During the lessons the Tri-Hi-Y meetings were held jointly with the Hi-Y meetings. Several dinners and dances were held during the past year and the social season will be climaxed by the annual spring dance.

The Tri-Hi-Y pledge is:

"To build a better world,
Ready I must be,
In the place where life doth find me,
Holding fast, yet pushing on,
Into glorious adventures,
You, and I, and God."

The club adviser is Mrs. Howard Newcomc.

Sophomore Tri-Hi-Y

The Sophomore Tri-Hi-Y has become very active through the ambition and whole-hearted support of its members.

This year the club presented the play, "Little Women," which proved to be an interesting drama. The members participated in a Christmas Candlelight Service.

The club challenged the Freshman Tri-Hi-Y for a basketball game. The result—the Sophomores were defeated.

The meetings are held in the Y. M. C. A. The club was entertained at the Fantall Hotel where Eleanor Sink, a member of the club, was hostess.

The club adviser is Miss Stark.

The officers are:

President, Dorothy Meneely; Vice President, Sally Weber; Secretary, Jean Burt; Treasurer, Jeanne Depp.
